To Federal District Judge Robert Taylor:
Frank Lucera Should Not Be In Jail Or Threatened With Jail
Blacks From Neighboring Trenton Went Into Town Side, Robbing
And Committed Violent Crimes.
I Told Your Chambers That If You Drive Me Both Ways, Or
Paid For Car Service, I Would Meet With You.
Cop In Westfield Was Accused Of Similar Accusations, I
Read Newspaper Articles Which Stated He Was Polite.
Frank Lucera Is No Less Deserving Of His Pension, Retired Health
Care Benefits Than Other Retired New Jersey Cops.
We Could Use Frank Lucera In Westfield, Which Again
Reports Of Blacks Coming To Westfield And In Fact
Committing Crimes.
Many Towns Could Use Frank Lucera, who Should Be The
Chief Of Police In Many New Jersey Towns That Such As
Westfield Suffer Crimes From Newark, Irvington, Plainfield,
Jersey City, Teaneck, Etc.
Violent Crime Has Increased More Than 40% Since Philip
Denton Murphy Became New Jersey Governor, who Propose
Violates Many United States Supreme Court Decisions, As Do
New Jersey Democrats & State Legislators And Acting New Jersey State
Attorney General Matt Platter.
I've Serious Concerns About Trenton, New Jersey Police Being
Investigated By Extremist Liberal United States Attorney In
Honorable Philip Sellinger - Out Of His Jurisdiction.
